

Reef Futures Mobile App Download Instructions for iOS and Android

1. To download the **Reef Futures Mobile App for iPhone and Android**, visit this [link to download](#).
2. Sign into the app using the **EMAIL ADDRESS** that you **USED TO REGISTER** for Reef Futures. *If you do not know what email address was used for your registration, please contact the person who registered you to obtain the email address used.*
3. **Allow notifications from the app!** Organizers will use this app to communicate with attendees on schedule or room changes, emergency notifications, and shuttle schedule updates.
4. Create a password using a link sent to you (text link option seems to work best), or if you do not receive the link, you can use the default password RF2022.
